SUPPORTING THE MISSION OF HOPE!**

- Call your local Center to schedule a tour and discuss ways your family can volunteer and give back!
- Host a donation drive for Hope within your community, school or church. Toiletries, cleaning supplies, non-perishable food, and paper products are always welcome! Email us for more info!
- Schedule a time to serve as a family sorting donations, tackling a landscape or facility project, helping with food distribution and more!
- Share with others that designating your tax dollars to Hope is an easy way to give!
